

# LONG SHOT

## 24 HOUR PHOTO MARATHON

### SHOOT

**BETWEEN JUNE 17-18, FROM 6PM-6PM SHOOT WITH ANY CAMERA, ANY FORMAT, ANYWHERE!**

In 2010 we saw our first iPhone photo in the LONG SHOT exhibition – feel free to participate with any camera whether it's a cell phone, point and shoot, 4x5, pinhole, Polaroid, etc. We love the sense of community and creativity that this event inspires, so no matter where you live, share this experience with the people around you. Get support from friends through pledges and donations, and let them know how Photo Center NW connects us all through photography.

- Share the LONG SHOT facebook event with friends (and ask them to sign up too!)
- Check out our meet-up locations on the blog, or connect with others during the 24 hour marathon on twitter @photonorthwest #longshot24
- Don't forget to submit your images before July 1 to participate in the LONG SHOT exhibition!
- Invite all of your friends to the exhibition where they can view your work
- A minimum of \$24.00 in pledges/donations is due at the time of submission, though participants are encouraged to obtain donations up until the exhibition on July 23.
