Private Instruction at Photo Center NW

Photo Center NW recognizes that many potential photography students have a very specific need for which private tutoring is the best answer. We seek to serve these students through offering our Personal Instruction Program:

- A pre-screened listing of available teachers including their specialties and particular areas of expertise drawn from Photo Center NW's highly regarded faculty.
- Centralized appointment and equipment scheduling.
- Access to Photo Center NW's well-equipped facilities.

PIP is available to students at the rate of \$85/hour, and must be purchased in a block of at least three hours. PIP students are eligible to access the Photo Center rental facilities at the same rate as enrolled students.
